

# BioPharmetriX: A Next-Gen BioPharma Summit

September 15-17, 2025 | London, UK

*Support the event and take the advantage of getting connected with your target audience!*

The **USG United Scientific Group (a 501(c)(3) non-profit organization)** organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

**BioPharmetriX-2025** three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
